SRNS Parent Companies Contribute \$200,000 to United Way Campaign

AIKEN, S.C. (Dec. 12, 2011) – Savannah River Nuclear Solutions, LLC (SRNS) parent companies – the Fluor Foundation, Honeywell, and Newport News Nuclear – recently made a corporate match of \$200,000 for SRNS employee contributions to the annual SRS Employee United Way Campaign.

Over the last few weeks, SRS employees at the U.S. Department of Energy site raised more than \$1.7 million in donations to benefit local United Way agencies.

“After 54 consecutive years and collecting over \$57M in donations at the Savannah River Site, the 2011 SRS Employee United Way Campaign has yet again ended in success,” said Linda

Bridgmon, SRNS Campaign Chair. “The generous donation made by Savannah River Nuclear Solutions is highly appreciated and is ‘icing on the cake’ that will benefit countless people in need throughout the CSRA.”

Bridgmon noted that though times are hard, SRNS employees continue to give with their hearts. “It’s remarkable to me how much our employees give each year, not only in money, but also of their time,” said Bridgmon.

Savannah River Nuclear Solutions, LLC parent companies recently made a corporate donation of \$200,000 in matching funds during the annual SRS Employee United Way Campaign financially assisting eleven area United Way agencies. SRNS Executive Vice President & COO Fred Dohse is shown presenting checks representing their respective portion of the additional funding to Sharon Rodgers (left), President, Aiken County United Way, and La Verne Gold, President & CEO, CSRA United Way.

The Savannah River Site is owned by the U.S. Department of Energy and is managed and operated by Savannah River Nuclear Solutions, LLC.

Eleven area United Way agencies are designated to receive contributions from the SRS Employee United Way Campaign, including the additional \$200,000. They are: Aiken County, Allendale County, Bamberg County, Barnwell County, Colleton County, Edgefield County, Hampton County, Midlands, McDuffie County, Screven County, and the United Way of the CSRA.

“The SRNS donation is an important part of our program funding each and every year,” said Sharon Rodgers, President, United Way of Aiken County. “Everyone at SRNS continually impresses me with their generous response to local charitable organizations, helping those in need throughout Aiken County. We are so very appreciative of the partnership and continued support.”

Savannah River Nuclear Solutions, LLC, is a Fluor-Daniel Partnership comprised of Fluor, Newport News Nuclear and Honeywell, responsible for the management and operations of the Department of Energy’s Savannah River Site, including the Savannah River National Laboratory, located near Aiken, South Carolina.
