Savannah River Nuclear Solutions Recognized for Excellence in Workplace Diversity

AIKEN, S.C. – November 3, 2011 – Savannah River Nuclear Solutions (SRNS), LLC, was recently recognized by the South Carolina Chamber of Commerce at the Seventh Annual Excellence in Workplace Diversity Awards Dinner.

SRNS joined twelve other nominees at the Embassy Suites in Columbia, S.C, for recognition of South Carolina employers who exemplify leading diversity initiatives in the workplace.

This is the second time during the programs seven year history that SRNS has been recognized for its diversity program. SRNS was recognized as the top award winner in the large business category in 2009.

Willie Bell, SRNS Lead Equal Employment Opportunity Specialist, accepted the award on behalf of the company.

Savannah River Nuclear Solutions, LLC, is a Fluor-led partnership comprised of Fluor, Newport News Nuclear and Honeywell, responsible for the management and operations of the Department of Energy's Savannah River Site, including the Savannah River National Laboratory, located near Aiken, South Carolina.

Accepting the award was (second from left) Willie Bell, Lead EEO Specialist, Savannah River Nuclear Solutions; Cheryl Behmyer (left), Chairperson, Chamber's Diversity Committee; and Jim Reynolds, Diversity Committee Vice Chairman.

The Savannah River Site is owned by the U.S. Department of Energy and is managed and operated by Savannah River Nuclear Solutions, LLC.
