FOR IMMEDIATE RELEASE

Savannah River Nuclear Solutions Family Scholarships Awarded *\$45,000 in college scholarships presented to employees' sons & daughters*

AIKEN, S.C. – (May 16, 2013) – Fifteen students have each won a \$3,000 Savannah River Nuclear Solutions, LLC (SRNS) Family Scholarship, received at a special ceremony held last evening, at Newberry Hall, Aiken, S.C. The winners are sons and daughters of SRNS employees.

This program rewards graduating high school students on the basis of general ability, leadership, and scholastic achievement, recognizing the top students participating in the competition.

“Their hard work has already begun to pay off as each scholarship winner enters a new era in their life,” said Fred Dohse, SRNS Executive Vice President and COO. “My hope is that it is just a matter of time before we will see some of these outstanding students again, joining us as we offer solutions to both national and international challenges.”

Through the family scholarship program, SRS employees see the value their company places on quality education.

“I’m very thankful that I was selected because my plans for the future include occupational therapy, which requires obtaining an undergraduate degree.

Westminster High School student Caroline Powell discusses her college and career plans with Savannah River Nuclear Solutions Executive Vice President & COO Fred Dohse after she received a \$3,000 scholarship from SRNS during last night's Family Scholarship Awards ceremony where scholarships totaling \$45,000 were awarded to 15 area students.

The Savannah River Site is owned by the U.S. Department of Energy and is managed and operated by Savannah River Nuclear Solutions, LLC.

I also plan on attending graduate school,” said Caroline Powell, Westminster High School. “People helping me now will enable me to help others later.”

Another recipient, Lindsey Harris, Midland Valley High School, expressed similar feelings. “I’m very honored and humbled to have received the award. My plans are to enter the field of nursing where I hope to help people heal and get back to their lives.”

Winners:

- Stephen Baldwin, North Augusta High School, son of Guy Baldwin, Corporate Services
- Alison Cercy, North Augusta High School, daughter of Mike Cercy, SRNL
- Stacy Chiou, Lakeside High School, daughter of HuiYing Sun, Support Services
