Savannah River Nuclear Solutions Family Scholarships Awarded *\$45,000 in college scholarships presented to employees' sons & daughters*

AIKEN, S.C. – (May 17, 2012) – Fifteen students have each won a \$3,000 Savannah River Nuclear Solutions, LLC (SRNS) Family Scholarship, received at a special ceremony held yesterday evening, at Newberry Hall, Aiken, S.C. The winners are sons and daughters of SRNS employees.

This program rewards graduating high school students on the basis of general ability, leadership, and scholastic achievement, recognizing the top students participating in the competition.

“Their hard work has already begun to pay off as each scholarship winner enters the next chapter of their life,” said Dwayne Wilson, SRNS President and CEO. “With their continued dedication, will come further success. My hope is that in several years, I’ll see some of these outstanding students again, joining us as we offer solutions to both national and international challenges.”

Through the family scholarship program, SRS employees see the value their company places on quality education.

North Augusta High School senior Jennifer Grimm said, “I am very honored to have been picked to receive this award. It really makes me feel good inside that out of more than 50 applicants, I was selected.”

Jennifer plans to attend the University of South Carolina and study Biological Sciences. The scholarship will help fund important tools she needs for the upcoming years, such as books and a laptop computer.

Another recipient, Aquinas High School senior Matthew Ross, plans to attend the College of Charleston to double major in Education and History, while minoring in British Studies.

“This scholarship definitely makes it more financially manageable and opens a lot of alley ways for the future. I’m hoping to study abroad, so this scholarship is really helpful in
